Form & Function Fused together for ultimate enjoyment on the multi – awarded Axopar 28 T-Top!

A highly versatile, multi-purpose, walkaround sports cruiser, form & function have fused together to create the Axopar 28 T-Top version, successfully screening the front and rear passengers from the less pleasant effects of too much sun.

Knowing you and your guests can now spend even more time on the water means the toilet and wash-hand basin and top-loading fridge options, for example, are the kind of useful upgrades Axopar offer to make life afloat that little bit more civilized.

Celebrate your time afloat with the smart-thinking Axopar T-Top 28'
